SOLUTIONS FOR BUSINESS PRINTING

# DP-80

The DP-80 series printers are the latest in reliable, compact, and innovative thermal printing. This small, full-page printer is rated at 11ppm, and is capable of using continuous roll, perforated rolls, or single sheet thermal paper.

This printer features USB, BT or Wi-Fi connectivity, and is compatible with Windows, Android, and iOS Bluetooth operating systems to provide a wide range of connections. The DP-80 is a true drop-in replacement and fits most mounting systems available for in-vehicle printing. Compatible USB cables, and in-vehicle power adaptors make this printer the perfect addition to any public safety vehicle whether you are outfitting a new fleet or updating your current one.
